Work On Washoe Project May Be Started This Year

Senate Gives Approval To Plans For Big U. S. Project Here

The possibility that work on the $43,760,000 Washoe project can get under way this year has been voiced by Senators George W. Malone and Alan Bible of Nevada following passage of the bill with a voice vote last week.

Major constructions includes a 175,000 acre-foot reservoir at Stampede on the Little Truckee River and a 115,000 acre-foot reservoir at Watasheamu on the east fork of the Carson River.

The project would account for 92,760,000 kilowatt hours annually, and power revenues would pay about $35 million of the cost. The bill includes $8 million in flood control benefits, $2 million for fish and wildlife protection and $100,000 for recreational purposes. These funds need not be repaid.

Senators George W. Malone and Alan Bible reported that the senate passed the measure on a voice vote, and without opposition. They added that an appropriation will be asked to get construction underway this year if the house approves the authorization bill.

The final vote came after explanatory talks outlining the project by both Senators Malone and Bible and remarks by senate minority leader William Knowland (R-Calif.) who paid high tribute to both Nevadans.

"Results here show that problems of mutual interest to adjoining states can be worked out when men of good will get together," Knowland said. "I wish again to commend both senators from Nevada for their fine cooperation which will contribute to the growth and development of our two states."

In a joint statement both Nevada senators said:

"If the house concurs in the senate action and the president signs the bill into law, it will mark the single greatest business, industrial and agricultural potential for western Nevada in our history.

Program Is Ready For Firemen's Fete

Preparations for holding the annual Truckee Volunteer Fire Department's benefit dinner and show at the high school cafeteria Saturday night between 6:30 and 8:30 are complete.

Chief N. F. Dolley said the advance ticket sale indicates a large attendance and so two complete shows have been arranged by Hugh Smith who is in charge of that feature. Skits and musical numbers will highlight the program.

The meal will feature baked ham and prime rib roast with trimmings. Virtually all the food has been donated and will be prepared voluntairly by the St. Louis Cafe. The California Cafe, Brown's and Smart's. Mrs. Miriam Zwarg, chef at the high school and her staff will be in charge of the cafeteria kitchen.

All the prceeds from the affair will go toward completing the new fire station and for remodeling the four-wheel drive truck which will be fully equipped to answer calls outside the district, particularly in the Donner Lake area, Dolley said.

Anyone who has not yet purchased a ticket may do so by contacting a fireman or paying at the door Saturday.

SCHOOL BAND WILL COMPETE IN RENO

The high school band will travel to the University of Nevada Saturday to participate in the Western Nevada band festival. For the first time in the young history of the Tahoe Truckee high school band, they will compete in the adjudication of the bands which will be held in the morning.

In the afternoon, the band will participate in a massed rehearsal for the public performance which will take place at 7:30 p.m. in the University of Nevada gymnasium.

Music Festival Will Be Held At School May 11

The Tahoe Truckee high school will present their annual spring music concert at 7:30 p.m., Friday, May 11th, in the high school gymnasium.

The high school chorus, the senior band and the junior band, under the direction of James Pringle, will present various musical numbers including both classical and popular music. The theme is "Music for You".

An added attraction will be a presentation by the drama club under the direction of Frank Ratliff, entitled "Girls will be Girls". The two leads, Ruth and Rosemary, will be played by JoAnne Palmer and JoAnn VanHooser respectively.

The public is cordially invited to attend this concert and there is no admission charge.

Music Festival To Be Attraction At School Tomorrow

The elementary schools of the Tahoe-Truckee Unified School District will hold their annual music festival at the High School gymnasium Friday, May 4th, beginning at 8 p.m.

Following is the program which will be presented:

Country Gardens - Maypole Dance: Truckee Elementary second and third grades, Mrs. Helen Trask and Mrs. Olia Tiffee.

Pretty Baby: Nursery School - Tahoe City and Truckee, Mrs. Elaine Wright.

Walking in the Park one Day - Beautiful Ohio: Donner Trail School, Miss Roslyn Idoni.

Man on the Flying Trapeze - Bicycle Built for Two - My Merry Oldsmobile: Kings Beach School first, second and third grades, Miss Elrose Knudsen and Mrs. Katherine Wing.

Aba Daba Honeymoon: Truckee Elementary School first grade, Mrs. Ruth Croxen.

When You Wore a Tulip: Tahoe Lake School kindergarten and first grade, Miss Geri Bean.

Take Me Out to the Ball Game - Down By the Old Mill Stream - Waiting at the Church: Truckee Elementary School, 5th Grade, Hugh Smith.

Easter Parade - Oh! You Beautiful Doll: Truckee Elementary School fourth grade, Mrs. Arlene Roth.

East Side, West Side - Good Old Summer Time: Kings Beach School fourth, fifth and sixth Grades, Raymand Bisio.

Peggy O'Neill: Tahoe Lake School second and third grades, Mrs. Lillian Farr.

Casey at the Bat - Ma! He's Making Eyes at Me: Truckee Elementary School sixth grade, Lynn Kishbaugh.

Put On Your Old Grey Bonnet - Cruising Down the River - Sweet Genevieve - Surrey With the Fringe On Top - Good Night, Ladies: Tahoe Lake School fourth fifth and sixth grades, Mrs. Ruth Roberson.

HOSPITAL PLANNING OPEN HOUSE VISITS

To permit local residents to inspect their Tahoe Forest Hospital, Administrator J. J. McGlade this week extended an invitation to everyone to visit the institution between 1 and 4 p.m. any day next week.

The arrangement was made in observance of National Hospital Week from May 6 to 12.

No special program is being planned and visitors will see how the hospital is operated under normal conditions.

PRODUCE SPILLED AS TRUCK WRESKED

John E. Pickett, 29, Sioux Falls, S. D., suffered minor injuries when a huge truck and semi loaded roof high with choice California produce went off Donner grade near Big Shot at 6:30 Sunday morning. Both Pickett and his relief driver leaped from the truck just as it plunged down the grade scattering its contents far and wide.

State Patrolman William Gautsche said an investigation would be made to determine whether faulty equipment was the cause.

MAN, WIFE INJURED IN AUTO ACCIDENT

Glenn T. Fowler of Stockton, San Joaquin, and his wife, Merle, were taken to the Tahoe Forest Hospital last Sunday night with major injuries as the result of Fowler's automobile going out of control on US Highway 40, one mile east of Sisco Grove.

The California Highway Patrol reported Fowler was driving west, attempted to pass a truck with insufficient clearance and swerved into an embankment. The car rolled over several times, throwing Mrs. Fowler to the highway.

LOYND IMPROVED

Charles Fink visited in San Francisco briefly Sunday with his employer, E. L. Loynd, popular Truckee drug store owner, and reported him to be improving rapidly from a leg ailment which has kept him from his store for several months. Recently Loynd has been undergoing specialized treatment in a San Francisco hospital.

More Members Of Olympic Project Board Are Chosen

Bay Area Men Selected To Assist In Planning 1960 Games

Five additional bay area civic and business leaders have been elected as members of the board of directors of the VIIIth Olympic Winter Games Organizing Committee, Prentice C. Hale, Jr., president announced.

The organizing committee is responsible for the planning and staging of the 1960 Winter Olympic Games at Squaw Valley.

The new members are Robert Di Giorgio, long prominent in civic and business affairs in California; A. A. Jones, attorney and a director of Sugar Bowl Corporation, Hillsborough; Garrett McEnerney II, attorney, San Francisco; Dr. Albert de Ferrari, president of the San Francisco Olympic Club, and Richard C. Ham, attorney, San Francisco.

Also elected were two additional southern California representatives, Richard R. Valentine, chairman of J. W. Robinson, and Frank Hathaway, president of the Los Angeles Athletic Club, both of Los Angeles.

Other members are John Jewett Garland, Los Angeles; Joseph A. Moore, Jr., San Francisco; William Henry, Los Angeles; Henry T. Maschal, San Francisco; Edward Carter, Los Angeles; Robert W. Miller, San Francisco; Henry T. Mudd, Los Angeles; J. Stanley Mullin, Los Angeles, and Anderson Borthwick, San Diego.

"The active participation in the 1960 Winter Olympic Games planning by this group of outstanding Californians brings to the organization the type of experienced leadership required to make a success of this tremendous program," Hale said. "The organizing committee now is functioning on a full-time basis, with the appointment of Alan E. Bartholemy as executive director, and we expect to progress satisfactorily in our work during the next few months in order to begin our building program next year."

FASHION SHOW IS HELD AT SCHOOL

The second annual Tahoe Truckee High School fashion show was held Wednesday at 1:30 p.m. in the high school cafeteria.

Girls in the homemaking classes, grades seven through twelve, modeled before an audience of parents and faculty, the skirts, blouses, night gowns, party dresses, formals, and sports wear that they had made during the year under the direction of Mrs. Betty Jo Smith. This appearal was made utilizing cotton, wool, nylon, and rayon materials.

Miss Thelma Finger, Mrs. Matilde di Suvero, and Mr. Robert Madge, all of the high school faculty, served as commentator, refreshment hostess, and decorator respectively. Miss Barbara Kemp and Miss Jude Commangere prepared the programs, and Charles Cushman directed the lighting. Music was furnished by the high school band, and presented orchestrations from Show Boat.

Former Local Family Busy At Nevada Home

A newsy letter from Mrs. J. O. Hursey at Fallon, Nevada told of the marriage of their son, Roger, early this year to Miss Arliene Jones of Jacksonville, Florida. The young couple is living in Phoenix, Arizona where he is stationed until May when he will receive his discharge from the U.S. Air Force.

Robert Hursey, the second son of Mr. and Mrs. J. O. Hursey is also with the Air Force, stationed in the Orient.

J. O. Hursey is Chancellar Commander of Alpine Lodge, Knights of Pythias this year and all of the family, well known here and at Lake Tahoe, are enjoying very good health.

Pot Luck

The Eldorado Council of the third district Parent and Teacher Association has extended an invitation to the Truckee Elementary School Parent and Teacher Association membership for a pot luck dinner to be held at 6 p.m. on May 15 in the home economics room of the Al Tahoe School.

SUNBEAMS

By WALTER M. BARRETT

Among the many "weeks" the public is called on to observe each year, National Hospital Week, May 6th to 12th is one of the most deserving and one in which everyone can take a personal part. For the hospitals are just about as indispensable to us as any service you can think of— and it is up to all of us to think about our hospital now and then and about how we can help it. We will always have hospitals but we should not take them for granted. The people who plan and run them, the directors and administrators, the staff are human and like to know that people are interested and that their efforts are appreciated. Why not let our hospital know during National Hospital Week, that we appreciate the comfortable feeling it gives us by standing every ready to render us the best of patient care in illness, accident or emergency? It's a small reward for such a splendid service.

The entire community will join in extending most sincere best wishes to two fine citizens— Joe Gini and Pete Petroni— on their retirement from a combined 95 years of work for the Southern Pacific Company. It is gratifying to learn that both plan to continue to make this their home and everyone will wish them the best of everything.

Baseball Practice Gets Started Here

An enthusiastic group of nearly a score of prospective baseball players responded to the first call for practice last Sunday and as a result Al Wakefield, chairman of the Truckee Athletic Club's baseball committee, said a team will be formed to compete in a league being organized in Nevada and which will start competition about the first of June.

Practice will be held at the local diamond every Tuesday and Thursday evening from 5 to 8 p.m. and each Sunday at 2 p.m., Wakefield said.

Anyone having a Truckee uniform is asked to turn it in to Wakefield so that the team can go into play with a representative front.

Work on repairing the diamond and fence at the park will start Saturday and all volunteers are urged to turn out and lend a needed hand.

BOARD TO CONTRACT FOR HEALTH SETUP

The Nevada County Board of Supervisors Tuesday approved a resolution in which the county will join in a state program for public health service. The tentative agreement provides a more adequate service and will be less expensive than the current program, Supervisor H. G. Loehr declared.

The contract in detail will be offered to the board at a future meeting and will become effective July 1st.

Osburn Reports Sales Of Jeeps, New Truck

Osburn's Buick Garage reports the sale of two new Willys jeeps and a GMC truck to local people. The truck went to Mr. and Mrs. Fred Pedley to be added to their fleet and Ray Grahn of Lake Forest and Arthur Spangler of Donner Lake are the possessors of 4-wheel drive jeep pickups.

Group To Meet

The Harvard Club of San Francisco and their friends will visit Nevada County on the weekend starting May 25th to commemorate the centennial of Josiah Royce's birth.

Licence to Wed—

Maurice Phipps, 21 of Truckee and Barbara L. Faulkner, 17 of Floriston, California were issued a marriage license at Reno during the weekend.

Bait Fishing Will Be Allowed West Of Lowest Bridge

Prospects Good For May 19 Opening Of Season In District

Despite the fact that seven choice miles of the Truckee River from the foot of the bridge one mile east of here to the Boca bridge will be closed to bait fishermen, sportsmen of the area are looking forward to a better than normal opening on May 19th when the trout season will get underway.

William LaMarr, chief of the wildlife protection branch of the department of fish and game, was in the district recently to make a general survey of conditions and to make preparations for the opening of the season.

LaMarr said the river from the bridge spanning the stream near the sewer disposal plant to the Boca bridge will be posted at legal intervals designating artificial lure fishing only. This was according to a determination made this year by the California Fish and Game Commission. It is anticipated this restriction will be removed at next year's meeting of the commission.

For the most part, streams and lakes in the district are expected to produce a better than average return to the sportsman as most were heavily stocked last year and an even greater number of larger catchable rainbow will be planted during the months to come.

At the request of biologists doing experimental work on Sagehen Creek, one quarter mile of that stream near the experimental station will be posted and closed this year.

Tributaries to Lake Tahoe will not open until June 30. The season here closes October 31st.

SKATE OFFICIAL IS PLEASED BY LOCAL SITE FOR STADIUM

Henry M. Beatty of Cleveland, chairman of the figure skating games committee of the National Olympic Committee visited the area Tuesday and was greatly impressed with the location near the Tahoe Truckee Wye as a site for the 1960 Winter Olympic ice stadium.

Mr. and Mrs. Beatty were en route to San Francisco to confer with other Olympic officials.

Beatty has been head of his organization for a number of years.

He termed the local location as ideal from a standpoint of spectator participation and accessibility. He also visited the Squaw Valley site but as the lodge there is closed, he was not shown the possibilities of that location.

MRS. LAURA MEISS EXPIRES TO ILLNESS

Local friends of Mrs. Laura J. Meiss of Sacramento were saddened to learn of her death last Thursday in a San Francisco hospital where she had been a patient for some time.

Services were held in the Chapel of Memories in Oakland on Monday aftrenoon.

Mrs. Meiss, a native of Oakland had lived in the bay city for many years. The family has a number of friends in this area who have extended sympathy to her surviving son, Jack Garrison and daughter Miss Yvonne Garrison residing in Sacramento. She is also the grandmother of Jack G. and Jan Elizabeth Garrison.

MOTHER OF LOCAL MAN DIES AT BAY

Mr. and Mrs. Robert Moore returned Saturday after attending funeral services for his mother, Mrs. Helen Moore at Berkeley.

Mr. and Mrs. Moore went to the bay city earlier in the week, the deceased passed away Wednesday.

Wyethia Luncheon Will Be Held Here Friday

Wyethia Women's Club will hold a 1 o'clock luncheon at Browns Cafe Friday May 4th with Mrs. Eugene Welch presiding at the meeting following the luncheon.

Reservations are to be made with Mrs. I. Firpo at Cabona's Store.

Two Veteran S.P. Employes Retire After Long Service

Two of Truckee's most respected citizens, Joe Gini and Pete Petroni, who, combined, have devoted 95 years to railroading here, last week retired, Gini as section foreman and Petroni as assistant on the Truckee district.

Both plan to spend their retirement in Truckee where they have homes on River Street.

Gini came to Truckee in 1906 and started work for the Southern Pacific. At one time D. J. Russell, now the company president, worked under Gini as assistant foreman and the two are still close friends.

Petroni started his career with the Southern Pacific on an extra gang and has worked here for 46 years.

Both Gini and Petroni have raised their families here and every member of those families are held in highest respect by the community.

Both ended their long careers with the company last Friday but not without sincere regrets from their fellow workmen who combined to give each a gift of appreciation.

Incumbents Win In District Voting

KINGS BEACH— In one of the most spirited elections ever held in this community, the two incumbent directors, Tom Sutton and H. E. "Pappy" Brooks, were reelected to governing board of the North Tahoe Public Utility District.

More than 200 voters turned out to cast ballots.

The unofficial count showed the following results:

Sutton, 122; Brooks, 123; Tom Lucas, 74; Gene Faulkner, 70.

Joe King, who was not up for reelection, is the third member and chairman of the board.

SPORTSMEN PREPARE DONNER LAKE DAM

More than a dozen sportsmen under the leadership of President Jack Waggoner and Vice President Charles Osburn of the Truckee Outdoor Sportsmen recently completed a project at Donner Lake which will save thousands of kokanee salmon.

The 12 worked five solid hours installing more than 200 sacks of sand and heavy timbers designed to complete a base for a screen at the lake's outlet. The screen prevents the fish from going through the channel during spawning time in the fall.

The screens are not in use except during that period, but evidence was that thousands of the Kokanee were leaving the lake before the screens were installed.

Installation of the Donner facility was only one of the many projects which have been completed and contemplated by the Truckee Outdoor Sportsmen, who are constantly busy working for the conservation of fish and game in the district and fighting for the best intesests of the sportsmen of the area.

Neugebauers Parents Of Son Born Wednesday

Mr. and Mrs. Jack Neugebauer Wednesday morning at 3:43 became the parents of their third son, Mark weighed in at 7 pounds, one ounce. Dr. L. D. Nelson was in attendance.

Patrolmen, Wives Feted At Squad Party Here

The 25th wedding anniversary of Patrolman and Mrs. William Gautsche and the 20th wedding anniversary of Patrolman and Mrs. T. F. Sheehan were observed at a dinner given at Smart's Tuesday evening by the Truckee squad of the California Highway Patrol.

The occasion also marked a farewell for Patrolman Lyle Tice who is leaving the area for an assignment with the patrol academy at Sacramento.

Illardis Visit—

Mr. and Mrs. Eugene Illardi and sons, Tony and Ronnie of Sacramento visited here Sunday at the home of Mr. and Mrs. Tony Ghirard.

Alignment For 40 Given Approval At Board Meeting

Work On New Freeway Is Assured Following Resolution

With a unanimous vote, the Nevada County Board of Supervisors Tuesday passed a resolution waiving the necessity for holding a commission hearing on the proposed rerouting of U. S. 40 through Truckee, thus paving the way for an immediate start on detailed planning.

A rather large delegation from this area attended the meeting to discuss plans with J. W. Trask, district engineer and William Sherwood, assistant engineer, and the board. Harold Wright of Sierra County again appealed to the officials to have the road changed to utilize the old abandoned Dog Valley grade but without effect.

The Route

As previously reported and as again agreed to by the highway officials, the route will take off the present route of U.S. 40 just east of Donner monument, swing back of the high school on the south side of Donner Creek, overpass State Route 89 south of the Tahoe-Truckee wye, proceed eastward 100 feet south of the north side of Spring Lane, skirting the Tahoe Forest Hospital by more than 300 feet.

It will then continue east passing over the present route of 40 in the vicinity of the James McIver home and go back of the old high school, crossing Trout Creek and continuing north of the cemetery, rejoining the old route east of Hirchdale.

At the overpass near the McIver home, an east and west takeoff will be provided as well as at the overpass on 89 and near Trout creek and again a mile east of here, the state officials said.

It is not known just when work will start, but a crew of surveyors is currently working east of here and more are expected shortly. It is proposed to complete the route by 1959.

SKI CORPORATION ENDS SEASON WITH PARTY ON SUMMIT

SODA SPRINGS— The Soda Springs Ski Corporation officially closed their area for skiing Sunday, April 29th. To celebrate the occasion, a dinner and cocktail hour was given at Rainbow Tavern.

Milton Hogle and his wife, Helen, were host to a gathering of their employees which numbered upwards of 20 including wives and friends. Hogle, the manager of the corporation, welcomed his guest and in so doing, spoke upon the ups and downs of the winter season's activities. He stressed the difficulties in caring for his skiing customers in running a tow during those unusual heavy storms and rainy weeks of December and January.

Jim Sherritt was master of ceremonies for the dinner. He briefly traced the development of skiing in and around Soda Springs.

In closing the very enjoyable affair, Hogle mentioned that he expected to have practically his entire "crew" working with him next winter.

NEW BOATS ARRIVE FOR TAHOE CONCERN

Another definite sign of spring was noted here last week when a crew of workmen unloaded a number o new Crist-Craft boats from freight cars in the Truckee yard of the S. P. for Tahoe Boat Company. The work was supervised by Fred Beach, who has arrived from Laguna Beach to prepare for a busy summer season at Lake Tahoe.

The company is operated by Main and Norman Mayfield.

SCHOOL BOARD WILL MEET HERE MAY 8TH

The Governing Board of the Tahoe-Truckee Unified School District will hold its regular monthly meeting at the High School on Tuesday, May 8th, at 8:30 p.m.

The main business of the meeting will be concerned with tentative plans for the district budget for the 1956-1957 school year.

PTA MEETING

A meeting, important to the membership of the Tahoe Truckee High School Parent and Teacher Association will be held Thursday, May 10th at 8 p.m. in the school's cafeteria.

Mrs. George Kenyon, president of the organization asked that all those interested in the association's work be present for the meeting.

Book Club Meets

The reading for the next Great Books discussion in the Gospel According to Saint Matthew. Mrs. Carl A. Bechdolt, Sr. and Mrs. Laura Wilson will lead the discussion which will be at 8:00 p.m., May 9 in the community library.

AFFAIRS OF STATE
by Henry C. MacArthur

SACRAMENTO -(CNS)— Despite the hard-boiled attitude of the California State Legislature with regard to removal of the State Fair and Exposition from its present site to a new site off the freeway northeast of North Sacramento, the Board of Directors of the fair is continuing to promote the new site.

At a recent meeting, the board voted to provide for a survey by the Stanford Research Institute, relative to the cost and development of the new site.

Not satisfied with one survey, the Board also called in Jack Faustman and Associates, for a traffic survey in relation to occupancy of the new site.

And for these surveys, the taxpayers of California will pay up to $45,000 for information that in all probability will be useless to the state or fair board either, for if the recommendations of some of the state's financial experts continues to be followed by the state legislature, the California State Fair and Exposition will stay where it is.

It was more than a couple of years ago that recommendations were made for the state to sell the new state fair site, and pocket the profits off the investment. However, instead of selling, the legislature allowed some money for plans and surveys.

A. Alan Post, legislative auditor, went comprehensively into the state fair set-up in his budget analysis presented to the 1956 legislature. The fair asked for $2,070,464 for total operations this year, and Post recommended a reduction of $150,275, pointing out the tremendous deficit operation which is carried out annually by the fair directors.

Actually, he pointed out, the revenues from the fair offset only about two-thirds of the total costs for operating the state fair and exposition.

And for every paid admission to the fair, it costs the taxpayers of the state an additional $1.52 to maintain the operation. Last year, the directors let 237,502 persons into the fair grounds for free, which, had they been charged admission, might have offset the deficit a little.

But in the face of these compelling figures, the legislature not only gave the fair the $2,070,502 it requested for the 1956 show, but added $562,000 for capital outlay on a site that may be abandoned!

There are several reasons why the taxpayers of the state take a beating on the California State Fair and exposition. Admittedly, the great majority of people who personal benefit from the fair, or support the government derive no pleasure either, for there are 13 million people in the state, and attendance, even counting the free rides, does not top 700,000.

Sponsors of the fair, of course, say it is necessary to promote agriculture.

But the real reason for reluctance of the legislature to run the show on a business-like basis is the local political preassure in Sacramento, where the city's big-wigs went to stimulate business for a ten-day period, and are not reluctant to have the state treasury foot the deficit for a show that should pay for itself.

For at best, the much-vaunted California State Fair and Exposition is little more than a county fair, verging on the display of the ancient Roman games, given by the government to keep the people quiet.

County Gets $256,000 In Use Tax From State

SACRAMENTO (CNS)— Robert C. Kirkwood, state controller, announced today that Nevada county will receive about $256,000 as its share of state highway users taxes during the 1956-57 fiscal year.

The statewide apportionment will amount to about $70,000,000, Kirkwood estimated.

School Districts Took In Huge Sum In 1954-55

SACRAMENTO —(CNS)— California's 1,942 school districts took in $828,870,475 during the fiscal year 1954-55, State Controller Robert C. Kirkwood reported.

Assessed valuation against which local taxes were levied amounted to $37,473,445,961, Kirkwood said.

The controller listed district revenues as follows:

District taxes, $399,482,175 or 48 percent of total income; apportionment of state funds, $390,594,841, or 47 percent; federal subventions, $19,736,662, or two precent; other, $19,056,793, or two percent.

Expendtiures were listed as follows:

Salaries of certificated personnel, $480,091,467; or 59 percent; salaries of noncertificated personnel, $23,389,069, or three percent; other costs of instruction, $31,989,556; or four percent; school plant operation,, $74,581,980, or nine percent; school plant maintenance, $31, 919,439, or four percent; fixed charges, $34,256,364, or four percent; administration, $30,056,487, or four percent; capital outlay, $61,139,735, or seven percent; other, $50,189,038, or six percent.

Kirkwood said 1,160 districts had a total bonded indebtedness of $983, 109,740 at the end of the fiscal year.

Political Printing Must Have Name Of Printer

SACRAMENTO —(CNS)— Election campaign pamphlets casting any slur on political candidates must show the name and address of the printer in a conspicuous place, Attorney General Edmund G. Brown ruled today.

Brown said a union printer's label, followed by the code number identifying the printer, would not meet requirements of the law.

The opinion was requested by Assemblyman Charles J. Conrad of Sherman Oaks.

CERTIFICATE OF PARTNERSHIP TRANSACTING BUSINESS UNDER FICTITIOUS NAME

NOTICE IS HEREBY GIVEN that the undersigned, John E. Lloyd, Jr. and Jack W. Ellis are transacting business as co-partners under the fictitious name of "TRUCKEE AMBULANCE SERVICE". Transacting business as an ambulance service at Truckee, California, County of Nevada, State of California.

NEWS NOTES FROM TAHOE

by Ethel Joslin Vernon

Spring Weather

Things are very quiet in this locality at this time, and there seems to be just almost "nothing doing" just now. The weather we might say has been quite "spring-like" for the past few days, which in this case means changeable. For a few hours it is warm and sunny, for the next few cloudy and a little windy, changing off to afternoon showers and turning into snow flurries at night. Anyway, April showers will bring May flowers.

Open House

On Friday evening the Tahoe Lake School put on its program for the Public School Week's Open House in the school auditorium.. The teachers and the P.T.A. sponsored and served a dinner to approximately 165 parents, relatives, and friends of the students. All the dinner benefits are to be contributed to high school scholarship fund. For the "Our School" poster contest three awards were presented during the evening by Robert Critchley of the Truckee Masonic Lodge. Second grade award was won by Cathy Conners of Tahoe City, third grade award went to Christine Schiekler, and the prize for sixth grade was given to Fred Heggie. The fifth and sixth grades displayed the large, colorful map legend of the social studies unit on Canada. The second, third and fourth emphasized the "Listening and Thinking" areas with many recordings done throughout the three grades. The kindergarten and first grade displayed colorful bird mobiles and creative writing. The literary and poetry display, engineered by Mrs. Lillian Farr, second and third grade teacher, showing the creations of many of her students, drew interested attention from the entire gathering and added much to the general display.

Summer Session

The Lake Tahoe summer session of the Sacramento State College will convene here in the Tahoe Lake School on July 9th this summer and will continue classes through to August 17th. On regular school days there will be classes in Art, Drama, Music and Science. The faculty will include the following professors and classes: Paul Beckman, associate Professor of art and coordinator of the session, in charge of art programs and classes; Dr. Richard A. Carpenter, assistant professor of music; Dr. Robert L. Livezey, assistant professor of life science, and Dr. Carl A. Thomas, Assistant Professor of speech and drama. Visiting artists and other resource people in all fields will be announced later. Classes will begin on alternate Mondays during the session. Enrollments will be accepted for two or more weeks, either for credit or for audit. Credits may be earned in any of th efields during the summer at the rate of one unit per week. Most class work will begin at 8:30 a.m., continuing until noon.

Open Homes

Among Tahoe residents opening their lakeshore homes here for the summer season this week are Mr. and Mrs. John McWhorter of Carnelian Bay, Mr. and Mrs. George Kehlet, who wintered in Palm Springs and are opening their home at Meeks Bay; Mr. and Mrs. Earl Washburn, new owners of the former A. P. Crist home on Dollar Hill, Mr. and Mrs. Al Sanford, who are opening their Town and Country Lodge at Sunnyside, Mr. and Mrs. Ward Knapp of Lake Forest who spent the winter in Van Nuys, and Mr. and Mrs. Dan Mawhinney of Tahoe Pines who spend their winters in Cathedral City in lower California.

Back at Tahoe

Mr. and Mrs. Dave Fritschi, who wintered in the Cisco ski area, are back in Tahoe City for the summer season. They will apain open their home on the fairways tract.

Golfers

A group of Tahoe City Lions and their ladies who planned a golfing excursion to Grass Valley were A. M. Anderson, Floyd Carnell, N. R. Mayfield, with their wives.

In Dramatics

Mrs. Laura Wilson and her son Douglas returned late last week from Sacramento where they spent a few days visiting with daughter, Carol, who was one of the recent camellia carnival contest winners there from the Sacramento Junior College. While in the city this time they saw Carol sing and dance in the junior college musical and dramatic production, The Embarcadero. A young friend, Miss Joan Harvey, returned here with Mrs. Wilson and her son this week for a visit at the Wilson home in Lake Forest.

Improving

J. E. Pomin returned to his Idlewild home here this week from a trip to San Francisco where he visited with his cousin Ernest H. Pomin who has recently been recuperating in that city after a serious illness. Many friends here will be glad to know that Ernest sends word with his cousin that his health is greatly improved, and that he plans to be back at his lakeshore home here within the month of May. He said he will probably hire a manager for the Pomin Cottage Court here this summer.

The bird population of the Farallone Islands off San Francisco includes murres, gulls, cormorants, pigeons, guillemots, tufted piffins and rock wrens.

Tahoe Items

Mr. and Mrs. William Haste who have been traveling for several months are living in their Tahoma home for the summer.

Mr. and Mrs. Snowden Burch arrived back at Kings Beach last Thursday in a spring snow storm after having experienced 98 degrees of summer warmth at Palm Springs, a short time before.

Tahoe City's population is rapidly increasing with the arrival from Van Nuys of Mr. and Mrs. Ward Knapp and the Frank Kennedys are back from Cathedral City. Mr. and Mrs. Fred Main are here from So. Laguna Beach for the season.

Dave Gaynor, wrote that they are returning from Sun Valley, California where they spent the winter.

County Tax Collector Arthur K. Brennan reports 116 lots in the Woodvista subdivision at Lake Tahoe were sold to new owners or redeemed by present owners at a tax sale conducted in his office.

Mr. and Mrs. A. J. Ketman have arrived from Menlo Park to open their place at Carnelian Bay for the season.

Employment In State Sets New March Record

Sacramento— Fewer Californians were unemployed last month than in any March since the end of World Wor II and more were employed than in any other March on record, it was announced today.

H. W. Stewart, Director of the Department of Employment, said that unemployment declined by 9,000 from February to a March post-World War II low of 212,000. The drop came as good weather permitted increased outdoor work, and as recent school graduates obtained jobs. The current unemployment figure was 42,000 below March of 1955.

STRICTLY STRICKLAND

By Bill Strickland

The children of the Donner Trail Elementary School held their benefit dinner Monday evening with excellent results. Over $200 was raised toward the scholarship fund and that was money. Max Williamson was there as one of the auctioneers you known Max, he's that man that lives with the Terkilsons, according to my boy, Billy. Bob Mason and Bill Carrico were very much in evidence during the evening also. Herb and Lena Fredericks of Norden made on of their rare appearances and really enjoyed themselves. The Schull family was out in force. Kit in all of his 15 years towering over Edvi and Betty Aro about a foot, or so it seemed. Which reminds us of the time we cracked our head on one of the ceiling beams in Edvi's house. Upon commenting on the low ceilings, Edvi said, "It's plenty high for us, you tall people will just have to duck, that's all". Ray Sorani, up from Rainbow, and leaving loaded with packages. Also present and very busy were Mr. and Mrs. Bacon of Cisco Grove, she also being president of our Community Club. Bob Larsen of Cisco Pines arriving almost in time to miss dinner. Likewise Fran Couillard and Peggy Travis from D. S. L. Bud, Barbara and Debby Zorich sharing a table with Pat Woodard with Mike and David. Glen and Velda Parsons taking a busman's holiday by being very much a part of the activities. Mrs. Max Williamson and children. Mrs. Peterson and Mrs. Glass really doing a bang up job on the food. Dorothy with cast and Larry, Sharon and Villa. Mr. and Mrs. Baker with all of their brood. Candy and Bunny Board arriving with Cathy and Sue Peterson and Pete himself, taking flash pictures all over the place. Mr. and Mrs. Eberhart and their clan. There were others present that we haven't met yet so perhaps I should borrow a line from the schools Thank You Note. "All the Mothers and Fathers not mentioned, for furnishing us the boys and girls. No party is a success without them".

SAFETY COUNCIL URGES CARE IN DISCARDED BOXES

The National Safety Council points out facts in a safety educational program received by the Tahoe Truckee Unified School District which bear passing along, E. V. O'Rourke, district superintendent points out.

The date sheet deals with the hazards of discarded ice boxes and refrigerators and says that there are today some 50 million such cabinets of airtight construction in use in this country and are being discarded at the rate of from two to three million a year.

In the six year period from 1948 to 1953, there were reported in the United States 50 cases in which from one to five children crawled into discarded cabinets, closed the doors and were unable to get out. Seventy-nine children died in these incidents and the average age was five years.

The council again warns that immediate steps be taken to make the discarded cabinets safe by removing the doors or hinges. These unnecessary tragedies can be avoidde by very little efforts but every single discarded ice box or refrigerator is a potential death trap unless the precautions are taken.

There are laws against abandonment of these traps, but enforcement is difficult and laws do not detract from the danger involved.

O'Rourke requested that every resident of this district take immediate steps to make all discarded cabinets safe at once.

Eastern Star Members Attend Reception For Grand Officer In Meet

Those attending the reception for the grand electa of the Grand Chapter, State of California Order of the Eastern Star in Concord, recently, were Mr. and Mrs. C. E. Mandeville, Mr. and Mrs. Dan Anderson and Gladys Anderson from Lake Tahoe and Elmay Philippi from Truckee. The grand electa, Marian Millard, helped install Truckee Chapter of the O.E.S. here last November.

Mr. and Mrs. Wayne Philippi and Louse Anderson of Tahoe Vista attended the reception for Marguerite Weisenheimer, grand associate matron of the Order of the Eastern Star, in San Francisco on Saturday, April 21st. She is Mrs. Philippi's grand officer.,

The 75th Anniversary of Eastern Star in Georgetown, was celebrated on April 24th in that small mountain town. Those attending from this area, were Mr. and Mrs. Wayne Philippi and Mr. and Mrs. Bud Mandeville, Mr. and Mrs. Dan Anderson and Gladys Anderson from Lake Tahoe.

Seventy-fifth Anniversaries will also be celebrated this week in Dutch Flat and Auburn. The official visit of the grand matron will be made in Grass Valley on Thursday April 26th for the remaining chapters in the district. Many grand officers from all over the state attend these visitations.

LAKE LEVEL

TAHOE CITY— The level of Lake Tahoe Monday stood at 6227-.50 with all gates into the Truckee river closed. Precipitation last Thursday and Friday totaled .18 of an inch. Temperature has ranged from 25 to 57 degrees.

MRS. DONALDSON IS SELECTED TO HEAD LAKE TAHOE CLUB

TAHOE CITY— Mrs. Wesley Donaldson was elected president of the Squaw Valley-Lake Tahoe Ski Club for the coming year.

Other officers are William Bechdolt, first vice president; Floyd Carnell, second vice president; Mrs. Pascal Heuga, recording secretary; George Lardner, treasurer; Pat Riley, corresponding secretary; Jean Hanson, race chairman; Ray Fellows, competition chairman; Carl Bechdolt, Jr., chief of hill; Lee Kierman, publicity director, and Jack Starratt, Gordon Butterfield, M. J. Moore, Kirby Schull and Pascal Heuga, directors at large.

Mrs. Newell Hostess At Auxiliary Social Session

KINGS BEACH— Mrs. Beverly Newell was hostess at her home on the shortcut to a social meeting of the Ladies Auxiliary of Post No. 7077, Veterans of Foreign Wars.

A surprise birthday party was given by the hostess to members attending the first anniversary of the organization. Those attending the informal and enjoyable affair were Mesdames Pearl Moore, Ethel Antonson, Icey LaBorde, Virginia Kornazewich, Peggy Mandeville, Jeanette Cinani, Diana Finnegan, Rue Damon, June Mandeville, Estelle Molsberry, Theresa Molsberry, Vera Woods and Bernita Jones.

The treaty or the purchase of the Virgin Islands from Denmark was signed August 4th, 1916.

Spending Reaches New All-Time High In 1954

Spending by California's state and local governments reached $3,382,000,000 for fiscal 1954, and there is every indication that this figure was topped for fiscal 1955 and will be even higher for the current year, California Taxpayers' association said today.

For Nevada county government alone, budget requirements approved for 1955-56 amounted to $2,529,097. This is the county budget figure only. It does not include cities, school districts, or special districts which are not under the board of supervisors.

Between 1915 and 1929 the University of California exhibited three grand champions and two reserve grand champions at the International Livestock Exposition in Chicago.

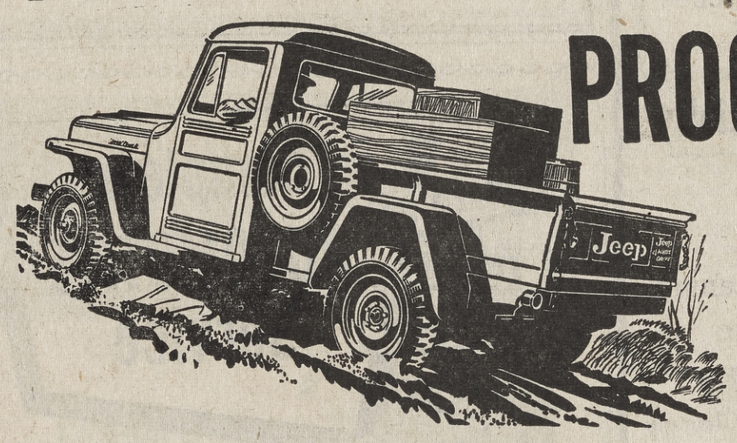
TEN BILLION MILES OF PROOF!*



The time-tested, performance-proved 4-Wheel-Drive 'Jeep' Truck

The 4-Wheel-Drive 'Jeep' Truck, like all vehicles in the 'Jeep' family, is time-tested and performance-proved. It has the "go-anywhere" ability to take you over the toughest terrain, the extra versatility to do many different jobs.

Before you buy any 4-wheel drive truck remember this: only ONE has been time-tested over many years, only ONE has been performance-proved through countless miles of the most strenuous transport service. That ONE is the rugged, 4-Wheel-Drive 'Jeep' Truck. No other 4-wheel drive truck even approaches its amazing performance-proved record. So, why experiment or settle for less than the only time-tested 4-wheel drive truck in its weight class—the 4-Wheel-Drive 'Jeep' Truck that gives you more performance-proved value.

Rugged 'Jeep' Trucks are functionally designed with time-saving features like high-skirted fenders and a full-opening hood that puts the engine within easy reach for servicing. Put it squarely up to your 'Jeep' dealer to show you what this performance-proved Truck can do for you. He'll be glad to arrange a demonstration.

4-WHEEL-DRIVE 'Jeep' TRUCK

*An understated estimate of the miles of transport service driven by 'Jeep' family vehicles. Some estimates place the mileage at more than fifty billion.

WILLYS...world's largest makers of 4-Wheel-Drive vehicles

DONNER TRAIL

We held our open house party on Monday April 30th. At this time we want to thank all the people in the Donner Trail area for their fine donations and for the time that they put in to make our party a success. We combined Public Schools Week with an open house and a party to raise funds for the scholarship fund.

KINGS BEACH

KINDERGARTEN AND FIRST GRADE: On Wednesday, April 25, the Kings Beach School held an open house in observance of Public Schools Weeks.

The kindergarten and first grade demonstrated their activity period. Parents present were: Mrs. Jim Astle, Mrs. Ray Bisio, Mr. and Mrs. Everett Campbell, Mrs. Jim Chastain, Mr. and Mrs. Carl Christiansen, Mrs. John Clackett, Mr. and Mrs. Joe De Gregorio, Mr. and Mrs. Lloyd Decker, Mr. Jack Felte, Mrs. Henry Graton, Mr. and Mrs. Bob Howell, Mr. and Mrs. Dal Hughs, Mr. Ted Lausche, Mrs. Steve Potkay, Mr. and Mrs. Walt Pope, Mr. and Mrs. Fred Rockholm, Mr. and Mrs. Gene Thompkins, Mr. Otis Wing.

SECOND AND THIRD GRADES: Wednesday evening we observed Public Schools Week. Our entire class took part in a reading demonstration - similar to our daily reading program. Those present were: Mrs. Lucille Draney, Mrs. Roy Porath, Jack Felte, Ted Lauche, Mr. and Mrs. Bill Althof, Mrs. Harvey Klitzske, Otis Wing, Mr. and Mrs. Skeet Thompson, Ernest Cassidy, Mr. and Mrs. Carl Brooks, Mrs. Doris Arndt, Mrs. Helen Hewitt, Ted Draney, Mrs. Leona Graton, Mr. and Mrs. Bob Howell, Mr. and Mrs. M. Waddell, Mrs. Hjalmer Laborde, Mr. and Mrs. Walt Mandeville and Mr. and Mrs. Jack Franklin.

During arithmetic, we have been learning Roman numerals. Penny Cassidy and Estelle Howell can write to one hundred without making an error.

Leta Laborde, Vern Wing, Amy Arndt and Estelle Howell gave oral book reports Friday.

Vern Wing bought the letter to school that he received from the California State Automobile Association, telling about the certificate award he will receive on his safety poster, which he drew about two months ago. The letter stated that 8,456 posters were entered and that the contest was nation wide. We are proud of Vern's art work. During the school year, we took part in four poster contests and Vern has been a winner three times.

FOURTH, FIFTH AND SIXTH GRADES: This week the members of the class have been practicing for the music festival to be held Friday evening, the 4th of May, at 8:00 p.m. at the high school.

The social studies unit on rancho life was presented by the children before their parents Wednesday night as part of their program for Public Schools Week. Thirty parents participated in the program.

Carolyn Olinghouse has returned to school after an absence of three months. Larry Free was presented with a check for $2.00 by Robert Critchley, Master of Lodge No. 200, F. & A. M. Larry's poster won first prize in his division. The contest sponsored by the lodge, had to do with Public Schools Week.

TRUCKEE ELEMENTARY

KINDERGARTEN: We have painted designs on our drum. Karen Meixner made the stairway, Linda Russell, Kathie Hart and Barry Waters made numbers and a picture of the sun.

Chris Kumle, Jack Novak, Paul Hernandez and Wilbur Glenn fitted and glued sand paper to blocks for the rhythm band.

FIRST GRADE: Ronnie Kyle came into our room this week. He comes from Yountville, and we are glad to welcome him.

Twila Lee Barber and Sandra Miller are back in school again after being ill last week.

Timmy McLane has a new baby sister.

Sharon Peterson had a birthday this week.

SECOND GRADE: In science we have been talking about seeds, and how they grow. We brought soil, and planted tiny flower seeds.

THIRD GRADE: In the study, "Children of the World," we have been learning about the people of South America, Central America and Southern United States.

A most enjoyable trip was made to Sacramento last Friday, April 20th. We had our lunch at McKinley Park and enjoyed the playground equipment, zoo and Sutter's Fort.

Many thanks from the class goes to Mesdames Davis, Franklin, Hagens, King, Sturcke, Taylor and also Herb Copeland, the bus driver, for helping to make the excursion such a success.

FOURTH GRADE: The fourth grade planted wild flower seeds this week as a followup to a study of flowers. Jamie Hamilton, Chuck Hill, Dennis Deming, Ken Stumbaugh, Carolina Urbina and Dick Ingalls brought top soil.

FIFTH GRADE: This week the fifth grade, with the help of Ken Lloyd, is making a hydrometer.

SIXTH GRADE: David Ayala will present his research study of the solar system next Monday.

Stephanie Cozzi is our health monitor, whose job it is to check the hands before we eat lunch each day. We feel that we can reduce the number of absences due to illness in this way.

SIGNS BILL

SACRAMENTO (CNS)— Governor Goodwin J. Knight signed AB 5, by Assemblyman Casper Weinberger, which transfers funds for carrying out the work of the new state department of water resources. Most of the transfers involved are monies previously appropriated to the department of public works.

PLANS PROGRESS FOR EXPEDITION TO ANDES REGION

Four months have passed since the American Andes Expedition was announced. During these months it has been possible to form an almost complete expeditionary team, because of the great assistance of the press, and the interest created by these articles.

The following list of names comprises the members of the expeditionary team:

Ernest S. Schickler, 34, Squaw Valley professional guide and rescue patrol leader. A veteran of four years of expeditionary work in South America; Ivan L. Jirak, 29, vice president of the Explorers Club of Pittsburgh, Pa., and teacher of geography; William J. Mayer-Oakes, 34 field archeologist for the Carnegie Museum of Pittsburgh, Pa.; Peter A. Schoeck, 29, instructor of thermodynamics at the University of Minnesota, and Member of the United States Antartic Expedition 1956-1958; Gerald M. Ellis, 27, geologist, linguist, and liaison work. Formerly with the United Nations. Residence, Butte, Mont.; Dr. Gunther Schoeck, 28, doctor of theoretical physics, exceptional climbing record, and at present employed as a scientist by the Westinghouse Laboratories, Pittsburgh, Pa.; Rudy Docky, 32, professional guide and climber from the Austrian Alps; Richard Reuter, 32, expert hunter nad trapper, and professional mountaineer, Lassen National Park, California; Mark P. Addison, 21, instructor with the Mountain and Cold Weather Training Command, U. S. Army, Fort Carson, Colorado; Toni Tomaso, 34, camera expert. San Francisco Examiner, San Francisco, Calif.

Efforts are now under way to complete the financing of the expedition.

Incidentally, the chief of the expedition, Schickler was recently married to Marjorie DeWolf of Beverly Hills and the couple have purchased a home at Tahoe City. Mrs. Schickler will accompany the exposition.

Dr. L. D. Nelson of Truckee, is medical advisor and member of the board of trustees.

KUCHEL SEEKS FUND FOR CAMP GROUNDS

United States Senator Thomas H. Kuchel of California is seeking a hefty increase in appropriations for public camp grounds in national forests in order to meet the needs of the greatly increased number of tourists, outdoor lovers, and sportsmen seeking recreation on public lands in California and other western states.

After going into the matter with the U. S. Forest Service, Kuchel has urged the Senate Appropriations Committee to recommend $821,500 more than is provided in President Eisenhower's budget for operation and maintenance of recreational facilities during the next fiscal year.

Mrs. Ben King Honored By Friends At Shower Held At Wyethia Club

Mrs. Ben King was the incentive for a party and a shower of pink and blue gifts, given in the Wyethia Club building last Thursday evening when Mrs. Jack Ellis, Mrs. William Waters and Mrs. Erven Single were co-hostesses of the pleasant affair.

Pastel ribbon streamers decorated the hall and the party's theme also predominated at the refreshment hour.

Friends complimenting Mrs. King included;

Miss Adele Parsons, Miss Janice Beuhler and Mesdames Roy Waters, Carroll Maynard, Harold Gilson, Richard Robarts, Karl Kielhofer, Chester Burns, Paul Capel Kenneth Hedlund, C. Vind, J. P. Vind,

L. D. Nelson, Robt. Madge, Dan Horman, Lennie LaCoe, Jack Neugebauer, Rex Reid, Henry Piche, D. Slack, C. E. Allison, Lee Apple,

Roxie Archie, H. Barnes, Wm. Englehart, Jr., R. Pancoke, D. Morey, J. R. Sears, A. Waters, A. Schell, R. Hintz, W. Osman,

V. McLane, Terry Tollefson, Vina Clepper, L. Braasch, A. W. Close, A. Besio, N. Firpo, L. Kishbaugh,,

H. Smith, Robt. Roth, Muriel Frey, A. Pace, C. Marquis, E. L. Loynd, W. Loynd, J. McGlade,

R. Leamon, Wm. Davis, C. Briner, Wm. Briner, Wm. Gautsche, R. York, L. Russell, C. Ellis, J. McIver, and H. Weinand.

The Liberty Bell in Independence Hall was sent from Philadelphia for exhibition at the 1915 Panama Pacific International Exposition in San Francisco.

TOASTER MAKE **DRIED-UP** TOAST?

LOOK TO YOUR WIRING!

Don't blame your toaster ... it isn't toasting really *toasty* toast. Chances are, you'll find the trouble in your home's electrical *wiring system*. If wires are weak...undersized... they just can't carry the full load of power your toaster and all your other appliances must have to run their best!

Give those faithful electrical servants of yours a chance to *really* work for you! Call us for more information about home wiring. No obligation!

An extension phone makes every day Mother's Day

A good way to show your appreciation of Mother is to give her something that she'll use and treasure not only on Mother's Day but on every day in the year. Something like an extension phone for her kitchen which will make every day easier. Something which points up your thoughtfulness every time she makes a call.

An extension in color makes an ideal Mother's Day gift. It's practical and glamorous, too. And each extension costs only a dollar a month, after a one-time installation charge. We'll deliver and connect it to suit your convenience. To order, call your telephone business office.

MAKE HER LIFE EASY—EACH EXTENSION COSTS ONLY A DOLLAR A MONTH

Pacific Telephone

NORTH TAHOE

By JUDGE HARRY CHARRISON

Business Men & Women

A meeting held in the beautiful new dining room of the Crystal Bay Club on April last was attended by around 100 people interested in the new association known as the North Lake Tahoe Business Association with R. F. Stevenson, president; Larry Ludlow, vice president; Maxine Polzin, secretary; Ivan Parr, treasurer, Red Waddell, Bud Polzin and Fred Schultz, directors. A committee was appointed to look into the prospects of a ski tow, etc. Those appointed being Larry Ludlow, Tom James and Gerry Potts. James also talked on taxes, one of his favorite subjects. This is Ideals Week, the purpose being to get people to visit the north shore and to entertain them when they get here, which I think has been sadly neglected in the past. No less than 53 resort owners and other businesses were represented. The next meeting of the group will be held at Joby's Monte Carlo May 23rd at which time you, as a good community minded person, will be invited.

Marching On

People of this area are highly elated at the news report in last week's Sierra Sun that the Truckee short cut has been declared a federal state road and as such it is being surveyed and it is expected that work will start on the old road that has been a bone of contention for years. Ain't that sumpin'?

Big Baby

Well, the little Crystal Bay Bar is out. It will be decorated to house the Hales Drug Store. On the window last 25th there was a sign, the bucket is dead. Go next door to the new club. There there was a sign and a crib inside with a doll, with the announcement saying born today the 25th of April, a great big bouncing baby. And it really is a big baby with every convenience and the owners Johnny, Slim and Mac welcome you to just look around. Watch for the ad of the grand opening.

New Owners

David Ross Crow of New York City is the main purchaser of the Tahoe Biltmore, Crystal Bay, and will take over or took over on May 2nd. It is very gratifying to know that Bob Vernon will still be retained as manager. The Biltmore was open all winter and proved to be a boon to local clubs as well as the winter sports fans.

Just Visiting

Had Charles H. and Mrs. Collett up for a visit from Burbank. They spent just a ew days with Earl and spent just a few days with Earl and Mrs. Gray and we had a nice time to the lake maybe next year. He was proud of the fact that he had just been elected president of the Burbank Rotary Club.

Moving Back

Mr. and Mrs. J. Dickow, Sr., were up here during the past week. As I have said before they once owned property on the highway, but sold and left for the bay area. Now after 6 or 7 years they have bought a lot here in Kings Beach and intend to build and move back to this wonderful country. It happens all the time.

New Stations

It looks as though we shall soon have a couple of brand new service stations in Kings Beach. Stevenson's Chevron station at Brockway Hill is coming along good and Tom Lucas is the manager, assisted by E. J. Stokes. And then again the Cinani boys, Ray and Mike, are coming along pretty fast with their Shell station. Both of these stations are to be a credit to the community and both are being built of cement blocks, real substantial.

Church

"The Church is the Body of Christ" was the sermon preached by Rev A. B. Covher, pastor of the Community Methodist Church at Kings Beach last Sunday. Rev. Covher announced that the quarterly conference will be held on May 10th at the church following a pot luck dinner. You are invited to attend this important meeting. Don't forget, Sunday May 13th is Mothers day, which will also be Loyalty Sunday. You must attend this.

New Homes

Now it's the Byron and Wilma Abbotts that are gracing the golf course with their presence, as they have purchased a lovely home just north of us on Midiron Ave. We sure welcome them to our classey neighborhood. Then again Ray and Mrs. Davis of Reno are just about ready to move into their cute log cabin on Brassie Ave.

Filling Up

There is not much space left in Kings Beach proper as buildings have been going up to beat the band, and pretty close to each other -too close. First thing we know Tahoe Vista, Carnelian Bay, and all along to the west will be built up. Pretty nice sections, too. Tom James is building a nice home on his property at Sandy Beach.

Lots of Fun

And what fun they had too. Davey Ashton and Nolan Little left here last Friday morning for Las Vegas, arriving at 10 p.m. and stayed with Dave's sister. Got up Saturday morning and took a nice trip to Boulder Dam which they thought was just wonderful. Looked around the strip in Las Vegas and dined in style and arrived home all safe and sound Sunday at 5 p.m. Some style, I'll say.

W.S.C.S.

Mrs. Judy informs me that she is so thankful to the people for making the bake sale held at the Stop & Shop last Saturday a wonderful success, and that upwards of around $90 was realized. That is grand, and she also tells me that the talent show we talked about a couple of weeks ago will be held at the Tahoe Theater, Kings Beach, on Friday, May 18th. There will be more information on this as time gets near. Keep the date in mind.

Checked

Lots of our good citizens are arriving every day. Among those checked in are Edna Rush, H. Barnum, Ruth Stelzreide, Mr. and Mrs. Burch, R. C. Jones. We welcome them all.

Judgeship

Our old friend, Leeland H. Propp, superior judge of Placer County tells me he will be up here on Monday, Tuesday and Wednesday. Lee was appointed by Governor Knight to the extra Placer County judgeship some months ago so now Lee is running for election come June.

SPEED IS BLAMED IN MOST STATE MISHAPS

SACRAMENTO— Speed too fast for conditions is the leading or contributing factor in almost every traffic accident. This statement made by the California Highway Patrol is based on an analysis of the 1955 traffic toll in California.

"Each added mile per hour of speed not only makes a crash more likely, in that it affects the driver's control, but makes the crash more severe," declared Patrol Commissioner B. R. Caldwell. "This is elementary. If more truism is required, we can look at the fact that practically every traffic accident occurs when the driver or drivers involved can not stop in time to avoid a collision.

Too many drivers forget that a vehicle traveling 55 miles an hour is traveling 81 feet per second and requires time and space to stop," Caldwell said. "Quite frequently the stated cause of an accident may be running a stop sign or traffic light, violation of a right-of-way or following too closely. In almost every case the main contributing factor is excessive speed.

Speed zones and limits are determined on the basis of reasonable safety. Deviations, even under normal conditions, create accident situations," he continued. "It is easy to exceed safe speeds with our modern cars. Keeping them down to speeds within safe limits is the legal responsibility of the drivers."

ACCIDENT RECORD IN AREA ON INCREASE

SACRAMENTO— The California highway patrol reported today that three persons were killed and 163 injured in rural traffic accidents in the Truckee-Auburn area during the first three months of this year.

This compared with three killed and 109 injured during the corresponding period of 1955.

According to the patrol, the number of traffic accidents on rural highways of the area during the three-month period totaled 131, as compared with 92 for the same period a year ago.

Throughout the state, the first-quarter toll of lives on rural highways numbered 392, an increase of 25, or 6.81 percent, over the same period last year. Injuries totaled 11,857, compared with 10,805 a year ago. The number of reported accidents was up 1,457, from 10,-713 for the first three months of last year to 12,170 for the comparable period this year.

Many Use Bridge

SACRAMENTO —(CNS)— Vehicular traffic on the San Francisco-Oakland Bay Bridge totaled 2,856,-769 vehicles during March, as compared to 2,545,24 in February, Frank B. Durkee, state director of public works, announced here today.

Nevada County Shares In Vehicle License Fees

SACRAMENTO —(CNS)— Revised estimates of revenues from motor vehicle license fees indicate that Nevada county's share will be increased to 89,000 for the current fiscal year, State Controller Robert C. Kirkwood reported today.

Kirkwood said the revised estimate for the entire state totaled $47,361,000, an increase of $8,444,-000 over the original estimate.

Kirkwood also reported that Nevada County may receive $97,000 as its motor vehicle license fee apportionment for the 1956-57 fiscal year.

The statewide estimate for the coming fiscal year is $51,636,500.

San Francisco has been a port of entry since 1835.

Olympic Law Fixes Fund Expenditure

The initial step in providing the 1960 Winter Olympic facilities, now that the necessary funds have been provided, has been designated under a bill passed by the California Legislature. This is a contract between the California Olympic Commission and the division of beaches and parks regarding the $5,000,000 appropriation.

The bill as approved reads as follows:

"For the California Olympic Commission, to be expended in accordance with the provsions of Chapter 124, Statutes of 1955, payable from the State Park Fund . . . $4,000,000 provided, that this item shall remain available for expenditure without regard to fiscal years; provided further, that no expenditure shall be made from this item until

"1.- a contract has been executed with the approval of the Department of Finance between the California Olympic Commission and the Division of Beaches and Parks Department of Natural Resources, to transfer to the division for disposal as soon as practicable by sale or lease of, such control and possession as the commission may have of all lands and improvements leased, purchased, or constructed for the 1960 Winter Olympic Games as soon as practicable after the completion of the games and

"2.- a contract has been executed with the approval of the Department of Finance between the California Olympic Commission and any agency or organization designated to stage said games to provide that the net revenues from all sources including but not limited to sale of television and radio rights, concession and admission receipts over and above the operating expenses and other obligations shall be paid to the State for deposit in the State Park Fund; and also provided, that no funds appropriated by this item may be expended for permanent improvements on other than public lands which will be available for transfer to the Division of Beaches and Parks after completion of the games except that this limitation shall not apply to the bobsled run."

Stolen Cars

Statistics show that in a large percentage of car thefts, the owner had left the keys to his car in the ignition switch. Don't tempt persons to steal your automobile No matter how short the time you are away from your car, says the California State Automobile Association, always take the car keys with you.

Sebastion Vizcaino sailed what is now Santa Barbara Channel on December 4th, 1603, giving the channel its name in honor of the patron saint of sailors.

NOTICE OF INTENTION TO ENGAGE IN THE SALE OF ALCOHOLIC BEVERAGES

April 28th, 1956

To Whom It May Concern:

Subject to issuance of the license applied for, and commencing not less than 15 days after the date posted, notice is hereby given that the undersigned proposes to sell alcoholic beverages at these premises, described as follows:

DBA Soda Springs Hotel
S|S| Hwy 40, Soda Springs,
Nevada County

Pursuant to such intention, the undersigned is applying to the Department of Alcoholic Beverage Control for issuance by transfer of an alcoholic beverage license for these premises as follows:

On-Sale General
Off-Sale General

Anyone desiring to protest the issuance of such license may file a verified protest with the Department of Alcoholic Beverage Control at Sacramento, California, stating grounds for denial as provided by law. The premises are now licensed for the sale of alcoholic beverages.

SCHOOLS TO WORK FOR BIG BOND ISSUE

SACRAMENTO —(CNS)— Entry of the state department of education into a campaign to pass the $200,000,000 state construction bond ussue on the November, 1956, ballot, was seen today when Roy E. Simpson, director, announced appointment of Don M. Muchmore, Long Beach, as his "special assistant."

Muchmore, with the Long Beach State College, is a public opinion consultant, and his duties with Simpson will consist of presenting to the people of California, Simpson said, "the tremendous need" for enlargement of the state colleges.

The bond issue is for $200,000,000, and of this sum $60,000,000 is earmarked for development of facilities in the California state colleges.

"I am most conserned," Simpson said, "with the overwhelming shortage of facilities at the ten state colleges which are now a part of the department of education.

"In November, the voters can help provide college facilities for their own children through a state construction bond issue. Mr. Muchmore will represent me in matters concerning this issue, as well as in related activities."

BANK OF AMERICA INCREASES DIVIDEND

At the regular meeting of the Board of Directors of Bank of America, held in Los Angeles April 17, a quarterly dividend of 45 cents per share was declared on the bank's common stock thus increasing the annual rate of dividend from $1.60 to $1.80.

It was stated that last December an extra dividend of 15 cents per share was paid by the bank. The present action has the effect of incorporating the extra dividend into the regular rate. This appears fully justified by present and prospective conditions, President S. Clark Beise said.

The payment of 45 cents per share will be made on May 31 to holders of record May 10.

$20,000 SUIT FILED AS RESULT OF CRASH

AUBURN— Melvin C. Howland has filed suit for $20,000 in the superior court against Mildred Estus for injuries he claims were suffered by his wife, Katherine B., when the automobiles operated by the plaintiff and Miss Estus collided on Highway 40 near Soda Springs last September.

Now that the firemen have given us a start toward a good old fashioned cleanup, let's not stop there. The National Home Builders Association is sponsoring a home modernization program this year with the backing of almost all of our lending agencies and the federal government. With our present homes in the downtown area, painted and fixed up, it will be possible to get new homes built on our many vacent lots.

To those of you who are interested, the F.H.A. have informed me that they will come into our area and grant loans just as soon as the town as a whole is spruced up a bit more. Let's all help our town grow by painting and fixing up this year.

Since the weather has turned nice, I have noticed a marked increase in the number of salesmen and fast buck artists in the area. A word to the wise is enough I think. Know the party you are dealing with and know his or her product. When in doubt take a moment to check before you buy.

I have just been told by the Donner Dancers, our local square-dancing group that they are the sponsors of a square-dancing festival come the weekend of July 15th at the high school. There will be groups coming from all over the west. Sounds like a wonderful week end of fun. We are looking forward to a very colorful weekend come July.

Don't forget the firemens benefit this Saturday at the high school. Hurry! Hurry! Buy your tickets today, any fireman has them, for an evening of fun and plenty of good food, for the whole family, be at the high school this Saturday. For those who plan ahead, our annual Donner Lake Regatta will be held on July 22nd this year. Rex Reid, chairman of this year's event tells me they are planning some wonderful worthwhile prizes for members of the sponsoring group.

—Hal Welch

Brockway Rotary Has First Meet In New Club

KINGS BEACH— The first meeting of the Brockway Rotary Club in the new Crystal Bay Club banquet room was held on Monday night with president Bill Randall presiding. Responding to the president's call for the introduction of visiting Rotarians and guests were Rotarians R. Von der Smissen and Chuck Carstens of Carson City. Al Snyder of Tahoe City and Lloyd Lambert of Lincoln.

Program chairman Hank Dodd introduced Conrad Briner, principal of the Tahoe-Truckee High School. Briner spoke regarding the work of the school after which he presented Gary Anderson, president of the high school student body, who was one of 40 students in the United States selected by the Westinghouse Corporation for their out standing work in science, and for which he was awarded a 5 day, all expense free trip to the Westinghouse plants throughout the eastern states.

The speaker of the evening was Von der Smissen, Superintendant of the Childrens Homes in Nevada, who discussed the methods of running the homes, especially Sunny Acres in Carson City; and also of the many interests and projects in which the children participate.

Present at Monday night's meeting were 39 Rotarians and visitors.

CHURCH NOTES

This Friday the 4th of May the Methodist Youth Fellowship will hold a party. All young people are invited to share this fun with the MYF. There will be active games, folk games, square dancing, regular dancing from 7 p.m. until 11 p.m. Refreshments also will be served.

At the Sunday service of worship Rev. Osman will speak a message on "Give Us This Day . . ."

Beginning on Monday the 7th, the local Community Methodist Church will conduct an every-member-canvass to determine just what will be the estimate of giving for the next church year. Last year's result proved to be very successful and there is no reason why good results would not be attained again.

BURGLAR SUSPECTS HELD

James Haughney and Robert Marshall, who, Constable N. F. Dolley says, were released from the Nevada County jail Saturday were arrested on Donner Summit by Dollev and Deputy Sheriff Roy F. Waters on a charge of suspected burglary after a home on Donner Lake was looted and a revolver, jewelery and other items valued at $200 were taken. Officers are seekin ga third suspect.

TRACK TEAM WINS HONORS AT MEET; MORE ON FRIDAY

Tahoe Truckee's newly formed track team brought home a number of honors last Saturday following the running of the 27th annual Yerington 20-30 relays.

The Wolverines, competing in the "B" division for small schools, scored a total of eight points for sixth place in team standings. Douglas won the divisional championship with 54½ points, followed by runner-up Fernley with 34. Behind the leaders were Stewart 24; South Tahoe,22; Tonopah, 10; Tahoe Truckee, 8; and Smith Valley, ½ point.

Tahoe Truckee's 440-yard relay team of Cooke, Osburn, Single and Sanford ran second to Douglas in the sprint event, the winning time being 47.7. Doug Single followed with a fine 18' 10½" effort in the broad jump for a third place.

Othe Wolverine point winners included Doug Wilson's fourth place in the 440 yard dash, and a third place in the 880 yard relay with a team composed of Cooke, Osburn, Single and Wilson. Also competing for Tahoe Truckee in the meet were Jim Hutchins, low hurdler, Fred Schultz, miler, who ran a fine race for fifth place, and Gerald Faughn, shot putter.

Coach Jim Brehler's squad travels to Reno Friday, May 4th, for the running of the Western Nevada Zone Meet, where the top finishers in all events qualify for the state meet to be held in Elko on May 12th. These two events will round out the season for the Wolverine track squad or 1956.

Sandra Snyder Feted At Tahoe Dinner Party

TAHOE CITY— Sandra, 10 year old daughter of Mr. and Mrs. Don Snyder was honored April 21st at a birthday party held at Bacci's Inn.

The tables were decorated with yellow candles and yellow cake with its traditional ten blue candles. The cake was mounted on a music box which played Happy Birthday and the children joined in song. Games were played.

Attending were Janis Giannini, Sandy Fellows, Dannie Pomin, Sharyon Abrahamian, Penny Clarke, Jayne Shontz, Karla Kiser, Stephanie and Sandra Snyder and Mr. and Mrs. Don Snyder.

Sayres Here—
Mr. and Mrs. Robert Sayre and children of Washington visited local friends last Wednesday.

From Nevada—
Mr. and Mrs. O. N. Robinson had as their recent guest, Mrs. Virginia Wyship of Nevada.

To Carmel—
Mrs. Leanore Taylor LaCoe has left here to live at Carmel.

Uranium World Wide
In recent years the quest for uranium has become world wide. The 1956 Yearbook of The Peaples Encyclopedia reports that evidence of deposits have been noted in Argentina, Brazil, Chile, Israel, Italy, Uruguay and Spain.

FIVE MISHAPS ARE REPORTED DURING WEEK IN DISTRICT

Five accidents, three of them occurring Saturday were reported by the California Highway Patrol.

Clifford Mathes, Truckee escaped injury Monday evening when the jeep he was driving got out of control and overturned two miles west of here. He was cited by Patrolman Roy Stallard for not having a driver's licence.

Two cars, operated by Donald Luce, Berkeley and Frank George of Ohio and a truck driven by John Greulund, Richmond, were involved in a three-way accident on Donner grade Sunday. No one was hurt. George was cited for speeding by Patrolman William Gautsche.

Alc William Mathes, Sacramento escaped injury when his car overturned near Ranibow Saturday night. He was cited by Patrolman Martin Sturcke for being on th ewrong side of the highway.

Saturday afternoon occupants of cars driven by Lowell Russell, Reno and Frank Ranells, Sacramento, escaped when Russell stopped suddenly four miles west of Truckee to avoid striking a dog on the road and the Ranells car hit the one ahead. Patrolman Gautsche made the investigation.

Kirk Delaney, Grass Valley was cited for being on the wrong side of the road after his car collided with a truck driven by Howard McFarland, Salt Lake City, on Donner Bridge Saturday morning. Patrolman Earl Meixner investigated.

ROTARIANS ATTEND DISTRICT MEETING

Several Truckee Rotarians attended the conference of District No. 164 held at Marysville April 21 to 24 when Governor Frank Gregory as well as Governor-elect Clyde Curtis of the Placerville club were in attendance.

Those from the local club included president-elect and Mrs. R. R. Frank, secretary and Mrs. Edward A. Grant, Mr. and Mr. James Sherritt, Arthur Couillard and John Ciardella.

Dr. Hugh Tiner, president of Pepperdine College at Los Angeles were personal representatives of the international president, A. Z. Baker and was principal speaker and guest of honor.

At a meeting of the club here Monday, a general discussion on highways and housing featured the meeting with Harold Wright of Sierra County urging the group to ask a realignment of the proposed four-lane route which would take it into Dog Valley.

Vacation Over—
Mr. and Mrs. John Finnegan and family returned after a vacation in Grass Valley and San Francisco.

May Date—
Jack Waggoner celebrated his birth date on May first.

In Post Office—
Mrs. Ralph Bretthauer is employed in the local post office.

Los Angeles County's 1954 mineral production was valued at $325,-164,842.

Ghirard Guests—
Mr. and Mrs. A. R. Ghirard had as their guests during the weekend Mr. and Mrs. Eugene Ilardi and children, Tony and Ronnie and Mrs. Grace Dutton all of Sacramento.

CARD OF THANKS

We take this means of expressing our heartfelt thanks for the kindness of our friends during the recent loss of our mother.

Mrs. Stanley Zwarg
Mrs. Marie Burrell
Mrs. Ruth Marks.

Happy Day
Billy, small son of Mr. and Mrs. William Fordham celebrated his birth date yesterday with a family dinner party.

LOST— Green parakeet. If found telephone 327. Mrs. John Rablin. M3c

HEY! GRACIE SMITH AN' BILLY TIGHTER JUS' GOT MARRIED—THEY'RE COMIN' FROM THE CHURCH NOW—!
C'N WE GO OVER AN' WATCH, MOM?
YES—BUT HURRY BACK —WE'RE EATING EARLY!
5-61
BILLY'S SO TIGHT THAT HE NEVER WOULD HAVE GOTTEN MARRIED IF HE WASN'T CONVINCED TWO COULD LIVE AS CHEAP AS ONE!
IF I HAD A PIECE OF THAT CAKE I'D DREAM ON IT!
NOT ME! —I'D EAT IT!
JUST MARRIED
...DO YOU SUPPOSE THE TWINS INVITED THEMSELVES IN?
NOT A CHANCE! BILLY TIGHTER WOULDN'T ENTERTAIN ANYONE WHO WASN'T INVITED— THAT'S FOR SURE!
THEN WHERE DO YOU SUPPOSE THEY ARE ALL THIS TIME—
HERE WE ARE, MOM!
SORRY WE'RE LATE —BUT THE BRIDE AN' GROOM TOOK A LONG TIME TO LEAVE—
WHAT DELAYED THEM?
WELL—THEY HAD TO WAIT WHILE THE GROOM TRIED ON SOME OLD SHOES THAT WAS TIED TO THE CAR!
